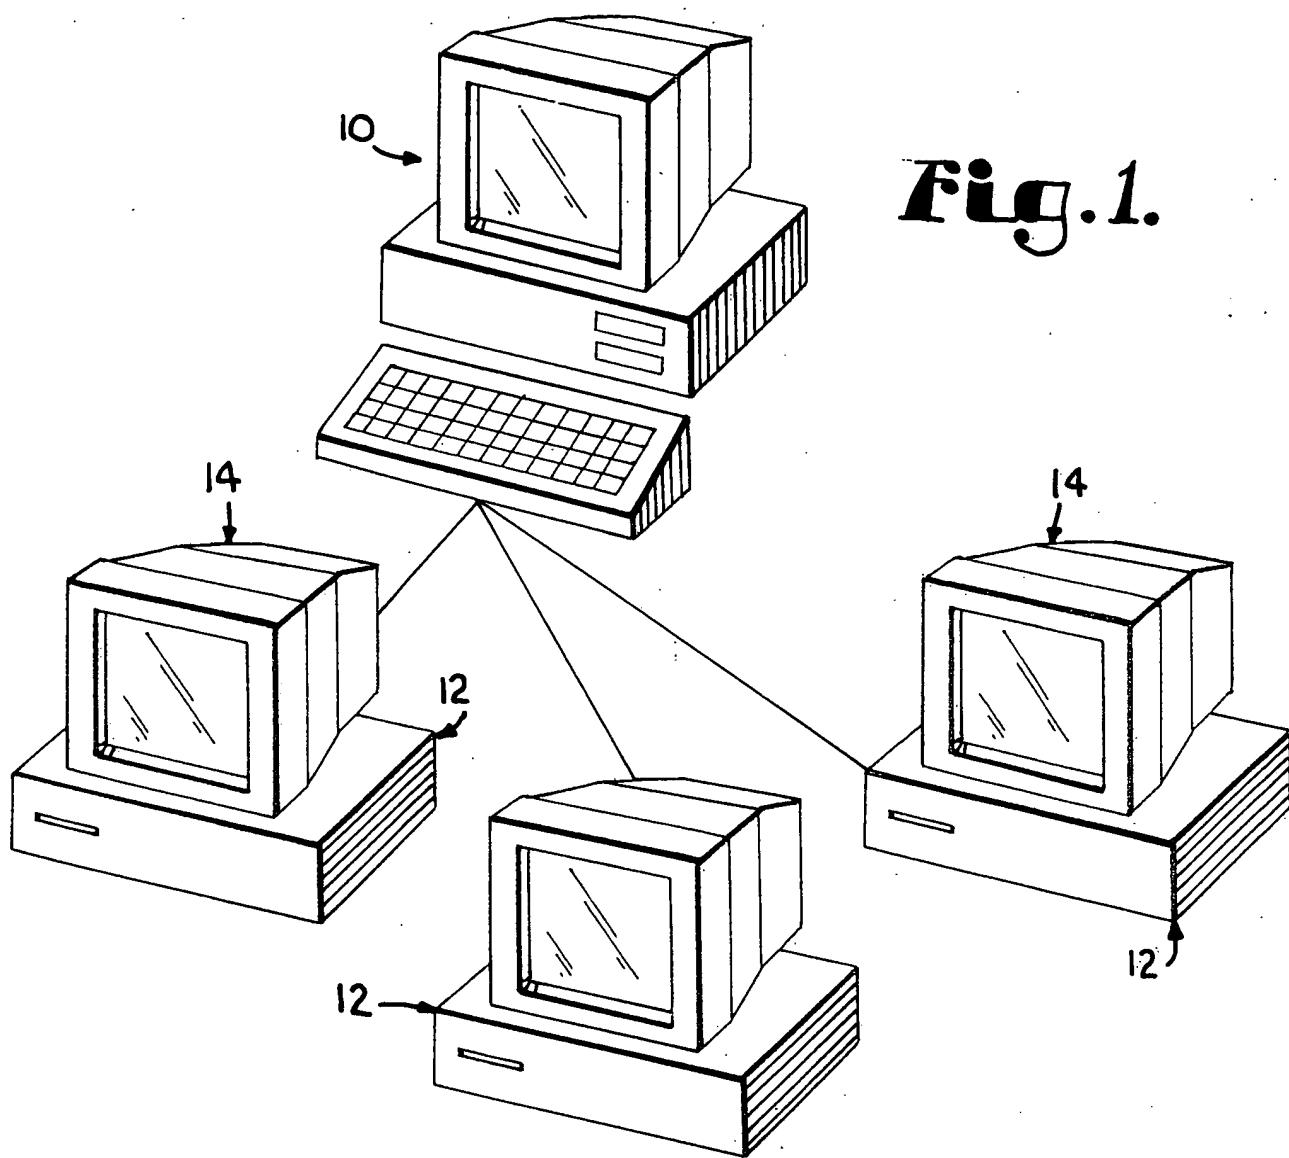

Fig.1.

A 4x4 grid table with numerical values. The values are as follows:

1	1 50	20	38
2	5 5	5	\$5
3	10 5	20	38
4	20 2	50	

The table is labeled '38' at the bottom center. The value '5' in the second row, third column is annotated with a superscript '38'. The value '20' in the third row, second column is also annotated with a superscript '38'.
